Dear Shareholder,

**Longboat Energy plc (the “Company”)
Notice of Annual General Meeting**

I am writing to inform you that the Annual General Meeting (“AGM”) of the Company will be held on Thursday 27th June 2024 at 11.00 a.m. at the offices of FTI Consulting LLP, 200 Aldersgate, Aldersgate Street, London EC1A 4HD.

The formal notice of AGM attached to this letter sets out the business to be considered at the AGM and this letter and schedules give further details on some of the matters to be considered.

Meeting Arrangements

The Board recognises that the AGM represents an opportunity to engage with shareholders and provides a forum for questions to be put to the Board and aside from the formal business of the AGM, there will be a presentation to shareholders by the Board.

However, as travelling to Central London is not always convenient for many shareholders, as an alternative, shareholders will be able to follow the proceedings of the AGM online (details to be announced on the Company’s web site nearer the time of the meeting).

Board Changes

As previously announced, Brent Cheshire and Jorunn Saetre will be retiring at the AGM and will not be putting themselves forward for re-appointment.

Furthermore, Katherine Roe and Jonathan Cooper will be stepping down at the AGM and will not be putting themselves forward for re-appointment. The remaining Directors are not due to retire from office by rotation, having been subject to re-election in the previous two Annual General Meetings.

In addition, Resolutions 5 and 6 will be proposed at the AGM for James Menzies to be appointed to the Board of Directors as Executive Chairman and Geraldine Murphy a Non-Executive Director. I will step down from my current role as Non-Executive Chairman and become a Non-Executive Director. After due consideration, the Board has confirmed that James Menzies and Geraldine Murphy have the skills, experience and commitment necessary to contribute effectively to the deliberations of the Board.

The Board therefore unanimously recommends the election of James Menzies and Geraldine Murphy to the Board of Directors (biographical details appear at the end of this letter).

Resolutions to be put to the AGM and voting procedure

At the AGM, shareholders will be asked to approve 12 resolutions. Resolutions 1 to 8 are proposed as ordinary resolutions. This means that, for each of those resolutions to be passed, a majority of the votes cast must be in favour of the resolution. Resolutions 8 to 12 are proposed as special resolutions which means that, for each of those resolutions to be passed, at least three quarters of the votes cast must be in favour of the resolution.

All resolutions will be subject to a poll and will not be carried or rejected by a show of hands.

Your Directors believe that each of the proposed resolutions to be proposed at the AGM is likely to promote the success of the Company for the benefit of its shareholders as a whole and unanimously recommend that you vote in favour of them, as they intend to do in respect of their own beneficial holdings, which amount in aggregate to 961,549 ordinary shares of 10p each (representing 1.68 per cent. of the current issued share capital of the Company).

Yours faithfully,

Graham Stewart
Chairman
